*If you don't use your membership benefits, you lose them. Inspections, comfort cash and system rejuvenations have no monetary value. Comfort Cash can only be used for serialized systems/equipment and accrues with membership payments. If upgrading your membership, your comfort cash accrual will reset to year one of your new membership level. If downgrading, your comfort cash will be reduced, but your accrual year will stay the same as your previous membership. *With continued, uninterrupted membership enrollment.*
